

MicrohPro.com Revamped!

Toronto, Ontario — Microh Professional Products announces that it has revamped its website, www.microhpro.com. Among the site's many new features include video samples of LED and Laser lighting effects. The new design also features the introduction of several NEW products such as the [FIREFLY RGY II](#) (a very bright RGY laser), the [PEGASUS RGB](#) (an amazing breath taking RGB Laser), a new line of [LED video screens](#), the [LED MAX ZOOM SERIES](#) (powerful 3W LED Par can fixture with zoom options) and the [LED RAZOR45](#) (extremely bright RGBAW LED wash effect).

Microh Professional Products President, Rohan Persaud stated, "*The Professional Lighting industry is an incredibly fast-moving and fast-changing world in which our customers consistently look to us for new and innovative products. We have recently developed several new Lasers and LED Lighting products to meet the needs of our clients. We look forward to introducing more products in the near future.*"

About Microh Professional Products

MICROH Professional Products, a leading manufacturer of reliable, lighting and audio equipment provides high quality and innovative products at affordable prices. Products are designed in Canada and manufactured in Europe and China. Every item is tested and then re tested to make sure it meets our high standards before they can be included in our line of products which consist of Audio, Lasers & LED Products.
